After a league-play opening win over the Crestmoor Falcons, little else seemed to go right for the Cap Varsity Football Team. The 1-6 record of the club, though, does not reflect the great variety of talent Coach Mazzoncini had to work with.

The only junior QB in the league, Jeff Monteroso had 105 passes and completed 49 for 496 yards, achieving 28 first downs and 3 touchdowns. Another junior, Tony McCrory, rushed for 293 yards, one touchdown, and 15 first downs.

Despite this talented duo, Coach "Mazz" relied greatly on his senior members to act as leaders, and so they did. Jay Boragno led the defense with 28 individual tackles and 23 assists. Jay also picked off four interceptions, deflected 3, and still had energy to punt for an average of 38.5 yards. Offensively, Jay piled up 3 TD's while catching 28 passes for 432 yards, second in all-time school records. Other senior standouts included lineman Dorsey Balls (5 QB sacks), defensive end Walt Sweeney, linemen Jack Hitchens and Mark McCormack. In the secondary, Steve Andrighetto, Rick Azzopardi, Rod Brown and Bill Chase stood out.

Offensively the Mustangs didn't do as well as was expected, compiling only 38 points on the season, but there were many outstanding individuals giving their best for the team. Rod Brown rushed alongside Tony for 141 yards, five firsts and one touchdown. Ron Thomson averaged 13.3 yards per reception and his longest was 40 yards. With the help of players like these, Cap's running game and air attack were greatly strengthened.

The Frosh-Soph stampeded the league with a 6 wins-no loss record. The team also compiled 4 shutout victories. Mr. Greenleaf said, "It was fun to coach this team because the players recognized and applauded the talent of their teammates." All-leaguers included S. Curran, M. Thompson, G. Dawkins, J. Sbragia, J. Slotnick, C. Latham, M. Adan, and M. Simenc. Their talent will help future varsity teams.

Cap's field hockey team did very well this year advancing to a play-off for the league championship before being eliminated. The team was coached by Lorie McLain. The team was sparked by such outstanding players as Terry Forsell, Dorothy Gonnella, Laura Goodwin, Laurie McMahon, and Terri Diaz. Next year's team should be strong with returning players and talented players coming up from the junior varsity team.

Cap's volleyball team didn't do so well in the standings this year, finishing next to last. However, they provided tough competition for their opponents. The team was led by Karen Fitzpatrick and Jami Maule with the spiking attack, Frances Hagan and Kim Bonetti with well placed sets, and by Sherri Kellogg and Jeanna Maule with strong serving. The season was highlighted by a challenge match against the senior guys in which the team really showed the guys who could play volleyball.

Hours of strenuous practice after school and individual time on weekends perfected the Cross Country Team. Although the team didn't do as well as expected, many "harriers", as runners are called, put in some of the best performances of their high school careers. The Varsity Team was led by Captain Greg Zlatunich, Jon Reyes, and Jon Janssen. They led the team to a final standing of 3-3. Ann Hamilton led the girls team with several outstanding individual performances, including breaking her own home course record.

Lightweight Basketball surprised everybody but themselves by winning eight games and losing only four during their season. Coach Jimmy Johnson thought that Dan Kelly and Mike Kelly provided the offensive spark that led the Tangs to their victories. He also said that team leadership was provided by Doug Jackson, Chuck Caruana, and John Oaks.

The team finished a strong third place in the M.P.L., losing by only two points to champion Crestmoor in the playoffs.

With only two returning seniors from last year's championship team, the Mustangs lacked the experience and size to be a contender. Despite being the smallest team in the league, the Tangs fought every game tooth and nail. Dave Olson, Gary Schenone, and Rod Schaubroeck provided the scoring punch for this year's squad while Greg Gohranson and Tony Valentine handled the ball for the Tangs. Next year's team promises to be a title contender with returning players Ron Thomson, Jeff Monteroso, Lou Fernandez, Dean Gonzalez, and starting forward Rod Schaubroeck. The Tangs of '79 will be remembered as a team that was short on height and long on heart.

Frosh-Soph basketball coach Ernie Schnurpfeil has been used to coaching winners over the years, and this year's team was no exception. The Mini-Tangs finished the season with a 10-2 mark, finishing 2nd behind round-robin champ Mills. But the Mustangs, led by first team all-leaguers John Sbragia and Matt Thompson, Second team all-leaguer Jay Slotnick, and third team all-leaguer Mark Adam, came through the playoffs with flying colors, beating Mills in the final playoff game in overtime for a co-championship. Coach Schnurpfeil has much to be proud of in this fine basketball squad.

The 1978-79 girls varsity basketball team coached by Allan Stanbridge had many accomplishments. At the Cupertino tournament in December the team surprised the host Cupertino team with an impressive victory the first night, upset Leland, a tournament favorite the next night, and then lost in the last seconds by one point to top-ranked Menlo Atherton. The team then went on to the regular league season where they finished second with a record of 9-3. They defeated Hillsdale in the opening game of the MPL playoffs forcing a second game against Crestmoor. The team lost to Crestmoor, league champions, in the second game but gained the most distinction in the CCS Regionals. They had a commanding victory over Nortre Dame of San Jose in the first game of the Regionals, advancing to the championship game. They faced Terra Nova in the championship game of the regionals and suffered a disappointing loss. Since they finished second in the region, the team advanced to sectionals, a feat never before accomplished by an MPL basketball team, boys or girls. They defeated the Region III champs Los Gatos in the first game of the sectionals.

Next the team traveled to Buschter High School in Santa Clara to meet the first night with St. Francis. The score was 52-39 as Cap met its first defeat. The team went on the next night only to find doom by missing the championship by one point, losing to Aptos High School 27-26.

The team was led by leading scorers Terry Forsell and Roseanne Quinn. Jami Maule and Francine Harvey provided strong defense. Freshman Kim Jacklich was impressive with her rebounding and quickness. Terry Forsell received first team all-league honors. Roseanne Quinn received second team all-league and Jami Maule gained all-league honorable mention. Terry also made the all-county team, with Roseanne getting honorable mention.

The J.V. team coached by Lorie Rakstins finished in 3rd place. The team played very well. The entire starting five made all-league. Jeran Maule and Jeanna Maule Made 1st team all-league. Lynn Balling made 2nd team all-league. Michelle Muscat and Colleen Kelleher made 3rd team all league.

Although the disappointing 3-8-1 win-loss record was not up to earlier expectations, our Varsity Soccer team did show consistent improvement throughout the year. With the outstanding efforts of 1st Team All-Leaguer Peter Kelly, 2nd Team Jorge Mendoza, and Honorable Mentions Abraham Tannous and Dennis Clary, the team finished with a fifth place in the M.P.L. Coach Vince Marchi said the team's play was solid and also that many juniors gained valuable playing experience, which should help to make a stronger squad and more successful season next year.

FROSH-SOPH

Frosh-Soph soccer coached by Mr. Mazzoncini had a league record of 7-4-1 and an overall record of 9-4-1. They finished third in the league. Outstanding performances for the season were turned in by sophomores Ralph Black, Gordon Dawkins, Mike Greenleaf, all making first team all-league. Freshman Jim Wilson and Dave Kornaros were also named all-league second team and honorable mention, respectively. The team consisted of the followin players: N. Aronis, M. Arsento, M. Aguilar, R. Auci, B. Bertling, R. Black, M. Boragno, M. Boyd, J. Cascone, J. Coric, S. Curren, G. Dawkins, J. Flood, R. Gandarillas, D. Giannini, J. Gilmartin, M. Greenleaf, M. Honnert, R. Jauregui, G. Jones, T. Under the skilled direction of Coach Art Fanfelle, this year's wrestling teams enjoyed a tremendously successful season.

The Frosh-Soph team posted an 11-1 record en route to the championship. With every starter either finishing first or second, this group was Coach Fanfelle's "most outstanding FS in four years." Besides winning their league, the Mini-Tangs finished ninth in the prestigous Silver Creek Tournament. First place finishers and MPL Champions included Bobby Sands, Jimmy Roberts, Neil Santiago, Harold Moore, and Steve Yotter.

Posting an 8-3-1 record, the varsity grapplers came through with a second place finish. Though they had many top wrestlers, the strength of this team came fromhard work and dedication. Seniors who contributed significantly to the team were Mitch Dolezal, Bob Bernicchi, Bruce Green, and Dave McGlaughlin. MPL League Champions were Mitch Dolezal, Dan Kelly, and Dave Eller. Besides finishing first in league and third in the CCS, Dolezal advanced to the state finals.

With superb athletes and hard work, this years' teams made a tough season very successful.

Badminton this year started off their season with a bad note, but they hope to improve in time. The team lost many of its players to graduation last year and is in the process of rebuilding their ladder. The team this year also took on a new coach Lori Rakstins whose outlook is bound to improve the team's standings in the M.P.L. league.

VARSITY TRACK

Individually, this year's Varsity Track Team has some outstanding talent, but there's not enough depth in the squad to place high in the league. Among some of those who should be standouts are: Bill Howes, Steve Torres, Bill Bodeman, Jeff Hart, and Jon Reyes.

FROSH-SOPH TRACK RUNS WILD

The Frosh-Soph team was led by team captain John Sbragia this year. Sbragia ran the 440 and the relays. He was also part of the famous freshmen relay team that went to the C.C.S. finals last year. Rich Jauregui also ran on the C.C.S. team. Jauregui was not only strong on relays but also in the sprints. Mike Greenleaf gave the Frosh-Soph its strength inside the track. He competed in the pole vault and triple jump.

Girls track was a much improved and strengthened team this year. They were led by veteran Anne Hamilton who blew away the competition in the 880 and the mile. Monica Zieschang came into her own this year, greatly strengthening the team in the mile and two mile races. Ryoko Hattori provided the blue ribbons in the hurdles and long jump. And Jennifer Bauman, the spirit of the team and returning high jump champ, led the team in the high jump, long jump and relays.

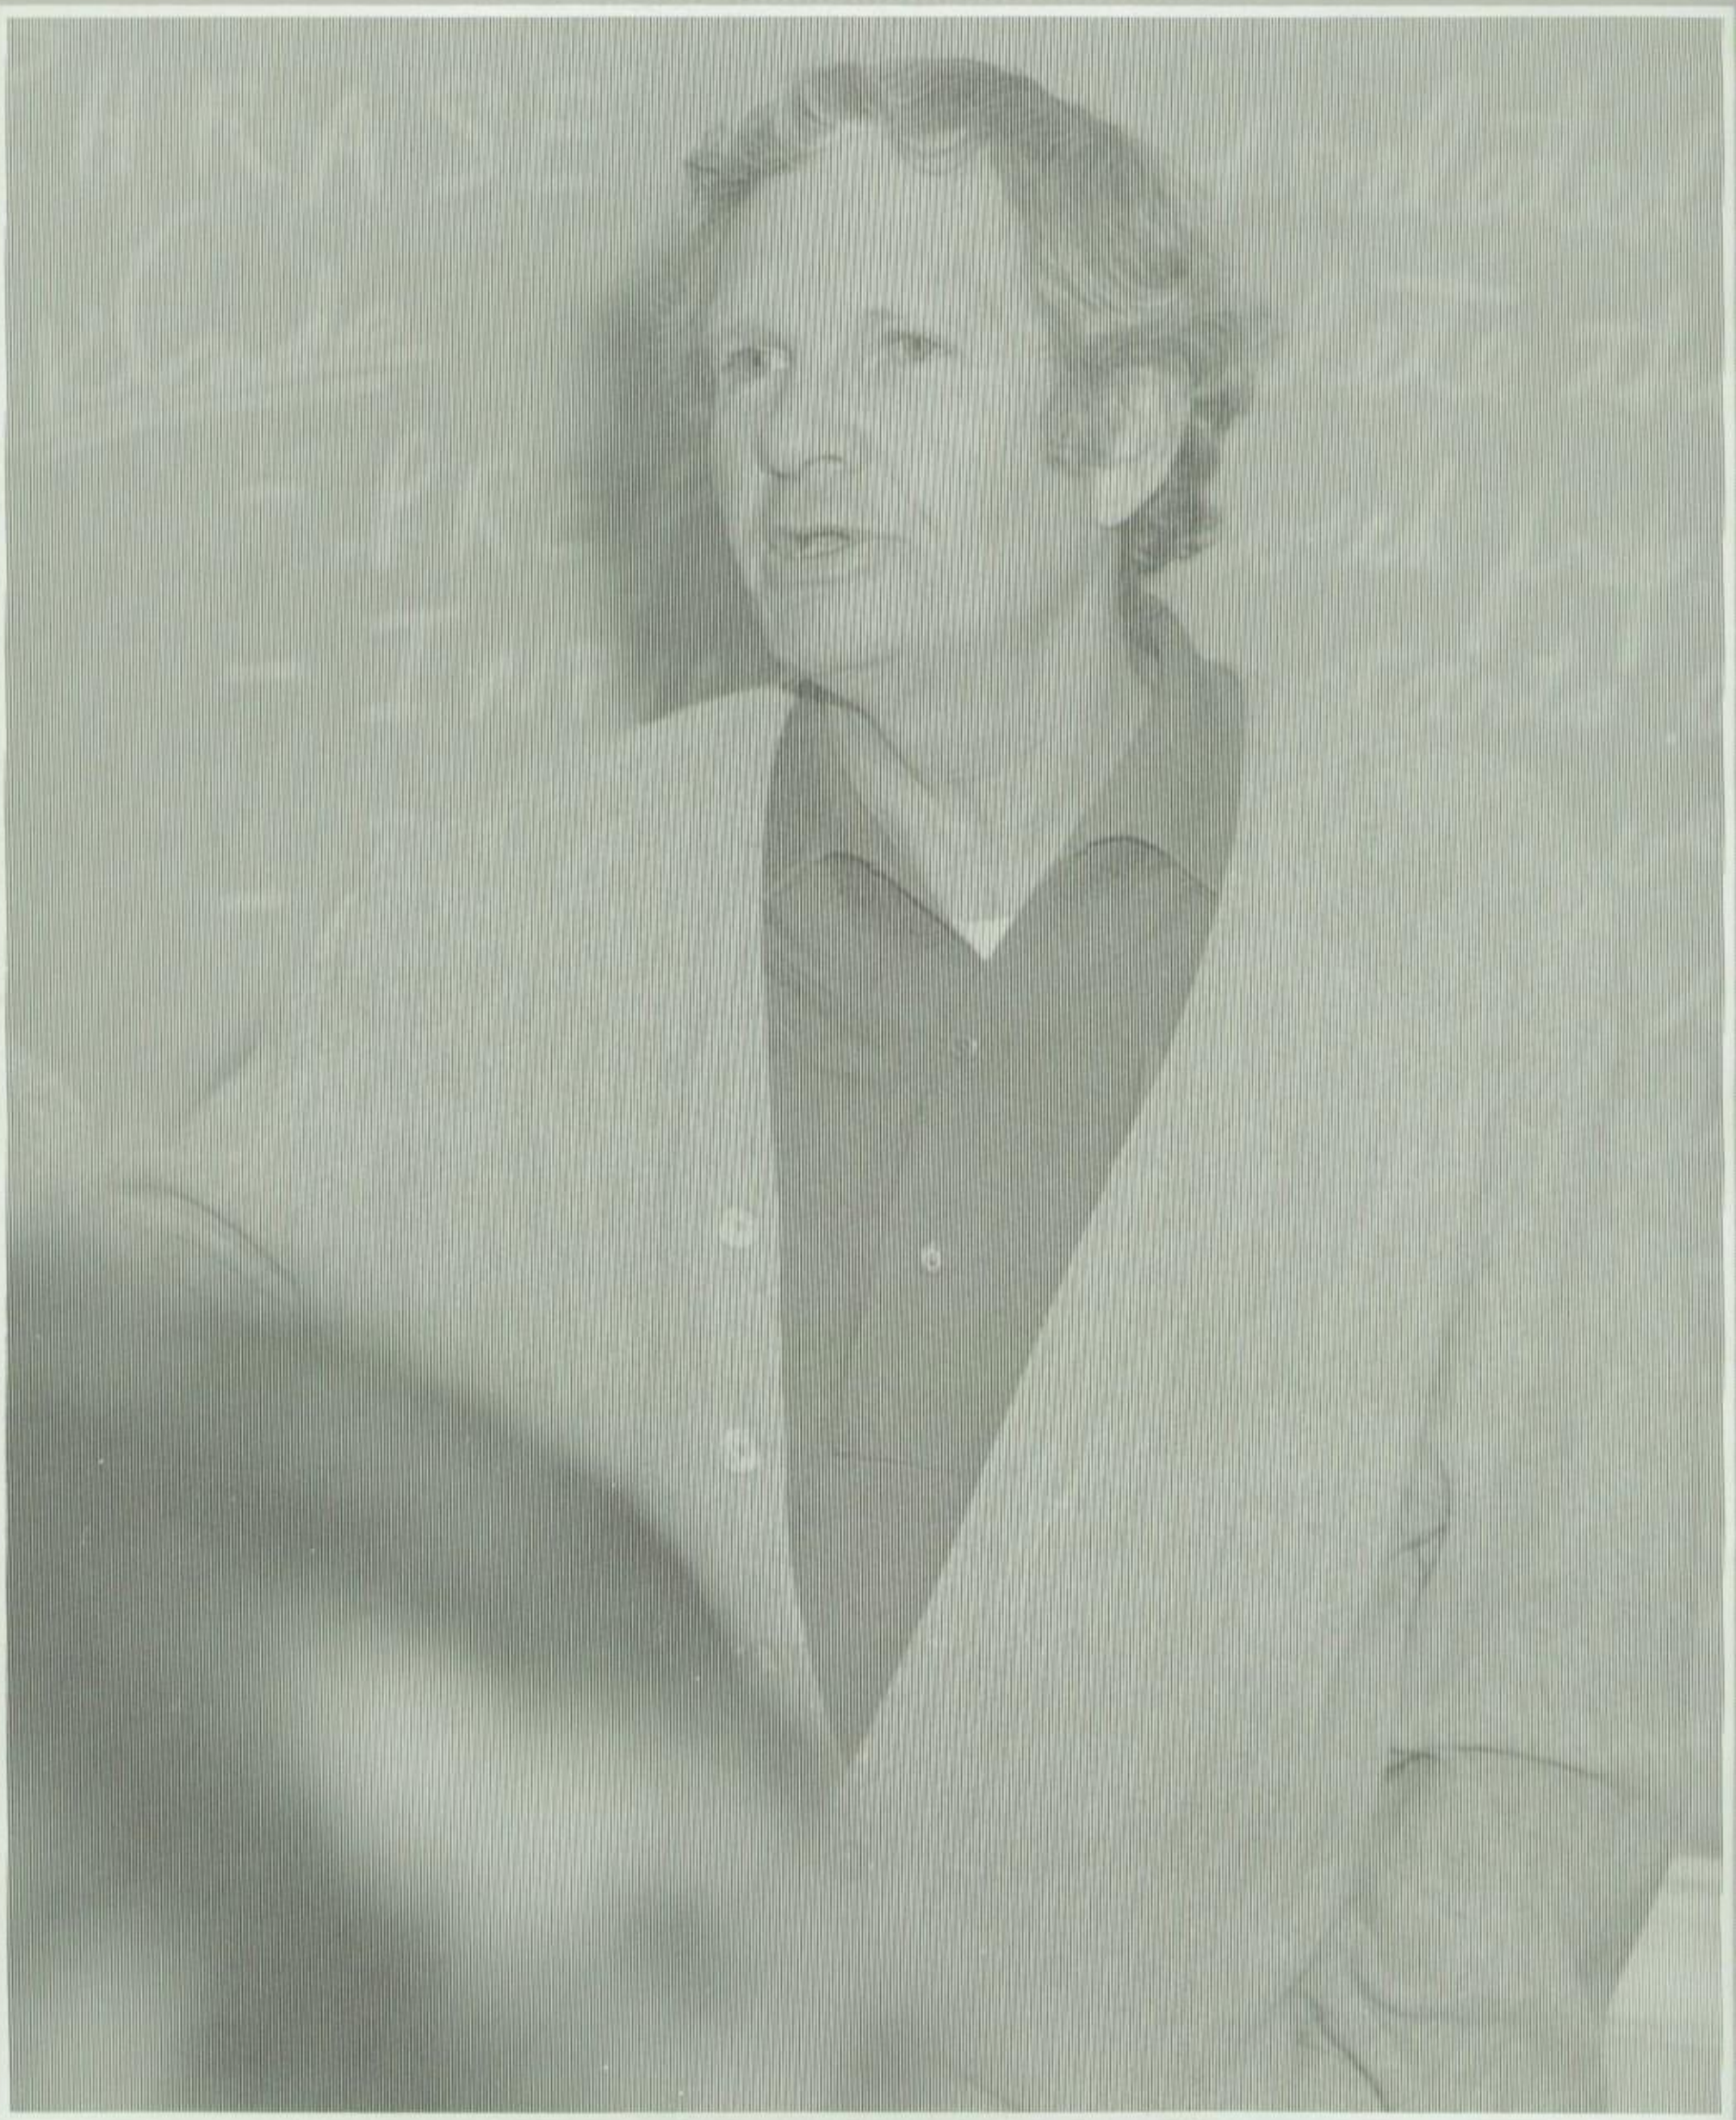
Varsity Baseball of 1979 has started their season off slowly but they expect to be a strong contender in the league. With returning pitchers Gary Schenone and Greg Zlatunich, infielders Greg Gohranson, Dave Olson, John Antrocoli, and outfielder Jay Boragno the team looks like they should have it all together for the '79 season.



FACULTY

THE HONORED TEACHERS OF 1978

Though most people are aware of this fact, it is difficult to find a good teacher, and almost impossible to obtain a person who is well-rounded. Spanish teacher Julian Miguel, is just such a person. In almost 19 years at Cap, Mr. Miguel has contributed in both academic and extracurricular activities. His participation in the sports programs as well as in school clubs has made him well liked and very respected. Mr. Miguel, thank you.

Julian Miguel

Leo Vannucci

Here at Cap, the students have a tendency to underestimate the importance of the counseling department. One counselor who is hard to ignore, though, is Mr. Leo Vannucci. Mr. Vannucci has served as both a teacher and a counselor in his many years here, and his willingness to help students is unsurpassed. This small tribute to such a fine person is well deserved.

Another person who typifies the high standard of teaching at Cap is Fran Kaczmarek, There is not enough room on this page to really show how much we appreciate the work of this very special person. Over the years, she has been one of the hardest working teachers and counselors at Cap. Since coming here in the fall of 1958, Miss Kaczmarek has served this school long and well, and she has shown a great dedication to her work as both teacher and a counselor. The school thanks you, Miss Kaczmarek.

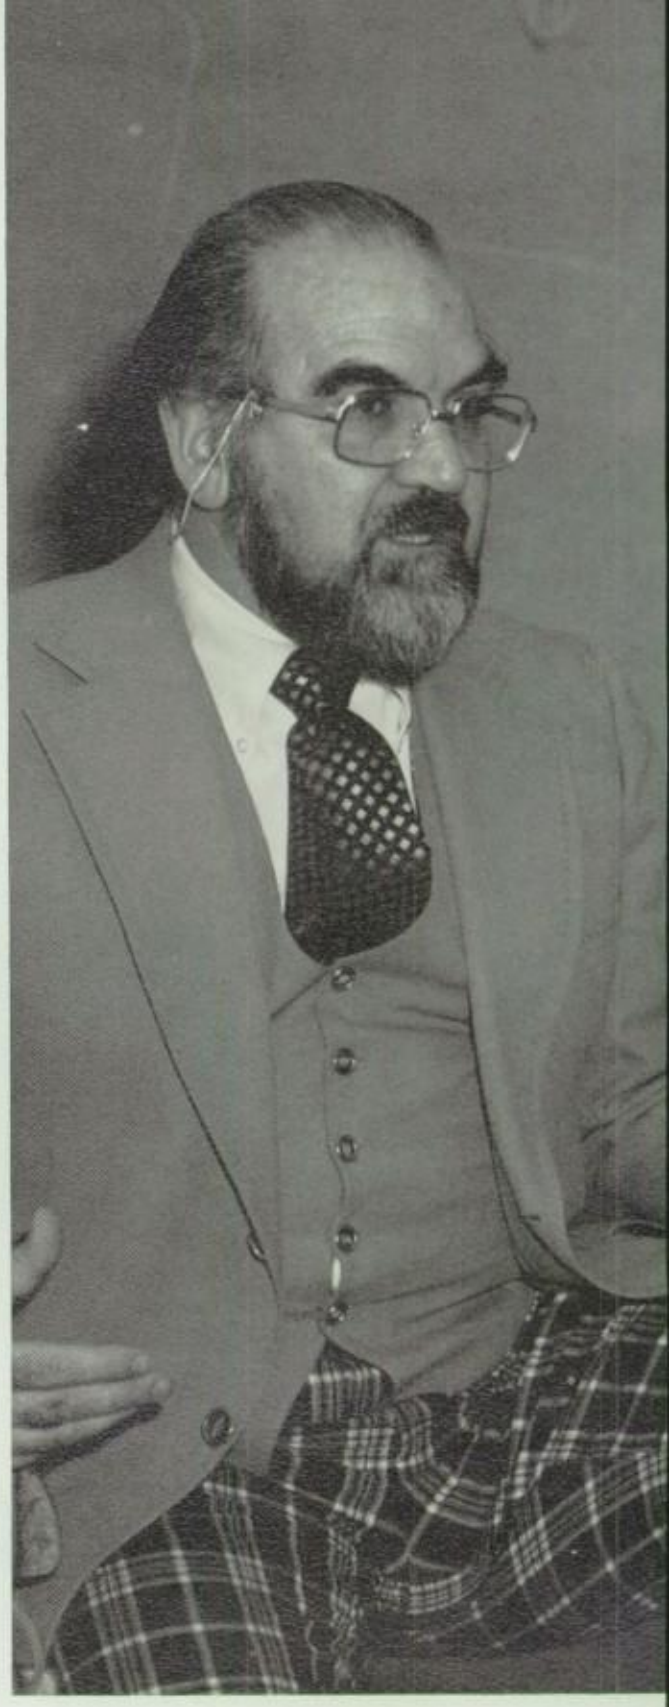
Fran Kaczmarek

John Nordquist

Noted for his logical mind as well as his quick wit, John Nordquist helps to carry on the fine tradition of the Capuchino Science Department. Originally a social studies teacher, Mr. Nordquist moved into the science department many years ago, and he now teches biology and other general science classes. He keeps busy outside of the school too, as he belongs to many professional organizations and groups. Mr. Nordquist is a fine man and teacher, and we hope that he will be here for many years to come.

Knowing how to work. That is the key in a class taught by Mr. Richard Carpetner. Mr. Carpenter came to Cap in the fall of 1957. He is a devoted family man as well as teacher, and he is extremely fond of travelling. He is considered to be an excellent teacher, but not only does he teach chemistry-he shows how chemistry relates to the world. He teaches students to be better people. There are very few men like Mr. Carpenter, and Cap is lucky to have him.

Richard Carpenter



Social studies teachers are supposed to teach about our government, but most of them cannot speak from experience. Art Lepore is able to do just that. Originally from Nevada, Mr. Lepore came to Cap many years ago. Not only does he teach government, Mr. Lepore is an active member of the Millbrae political scene. He is a past mayor of the city. He serves Capuchino in many ways. One special thing that he does is serving as the faculty advisor to the Close-Up program. We hope that this small tribute to such a fine person truly shows our deep appreciation.

IN MEMORY OF MR. LESTER HEWARD

MY DAD

Dad is the man
who never really opened up to anyone,
who kept inside many of the sorrows,
worries and fears
he alone dealt with.

He is the man
who has had a long road to walk,
many a decision to make,
many a mistake to correct,
many a war to fight,
many a heartache to heal.

He is the man,
who wanted so much to love
and to be loved,
to share his soul with his dear ones,
but didn't always know how.

Dad is the one
who tried so very hard
to master his weaknesses and ills,
to rid himself of the chains
that so often held him back.

Daddy is the man
blessed with a great intellect,
keen insights, deep understandings,
clear thinking, and a rational mind.
Excellence was his goal, and his struggle.

He is the person
with so many talents,
so much to give,
so many things to teach.

He is the Teacher
who really cared,
enough to rattle a few students
into academic truths and excellence
that have brought them success and knowledge.

He is the Teacher
who never quit teaching
be it student, peer or family—
he knew so many wonderful things
about this great world and
the creations therein.

Daddy is the man
who had a quick temper,
a harsh approach,
a loud voice,
and a gentle twinkle in his eye.

He is the man
who was so strong, so influential,
so dependable and prompt,
whose presence was always felt,
who brought security and stability with him.

Dad is the one
who could be so terribly funny,
and clever and witty,
who added such spice to life—
yet who really was so very shy.

Daddy is a man
who ate a lot,
slept a lot,
yelled a lot,
worked a lot,
sacrificed a lot,
gave a lot,
cared a lot,
loved a lot.

He is the Student
who always wanted to learn
who was always reading
about new discoveries, theories,
places, people and animals.

He is a true friend-
to those special men
who have shared some of the
most fun and happiest hours of his life-
at school or in the mountains, or
wherever their comradery has taken them.
and, to them
he is lovingly called "BEAR"
because they can see through
his gruff and growling facade,
and smile at the gentle lamb inside.

Dad is the one
who gave me the desire to achieve,
to make use of my mind and abilities,
to never settle for mediocrity
but to pursue excellence in all things.

Dad is the man
who is so often my frame of reference,
so often I say,
"My Dad would like that" or
"That's what Dad always does" or
"I can just hear my Dad saying that."

My Dad is the figure
that I sometimes used to fear
as a child—'cause I didn't
understand, yet,
that image, as I have matured
has mellowed, and softened,
and smiled, and encouraged,
and counseled, and reassured,
and loved.

Now, that sweet, wonderful figure —
is and always will be, in my eyes,
loving and kissing my little daughter Megan,
telling her to "give Grandpa kissies",
and
is putting his big, strong arms around me,
and telling me how much he loves me,
and how very proud of me he is.

Daddy, I love you.

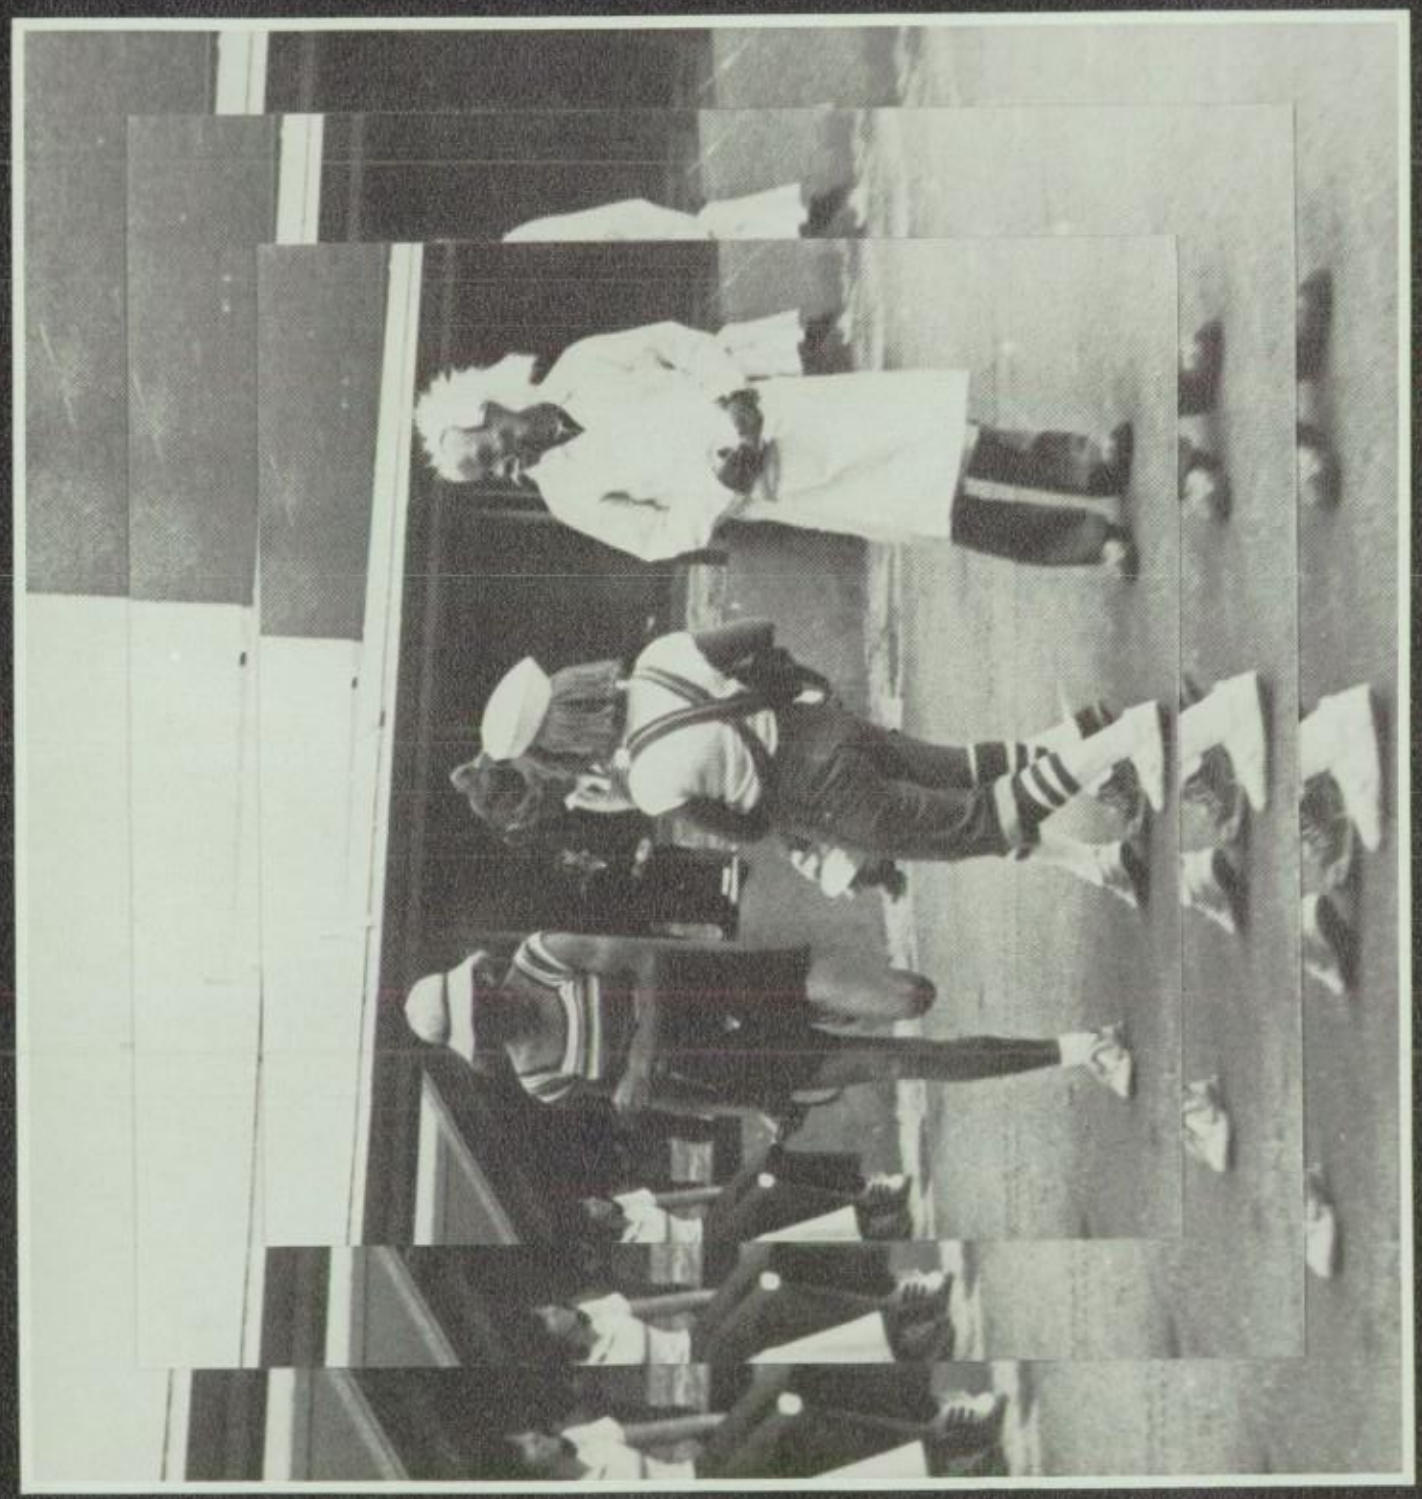
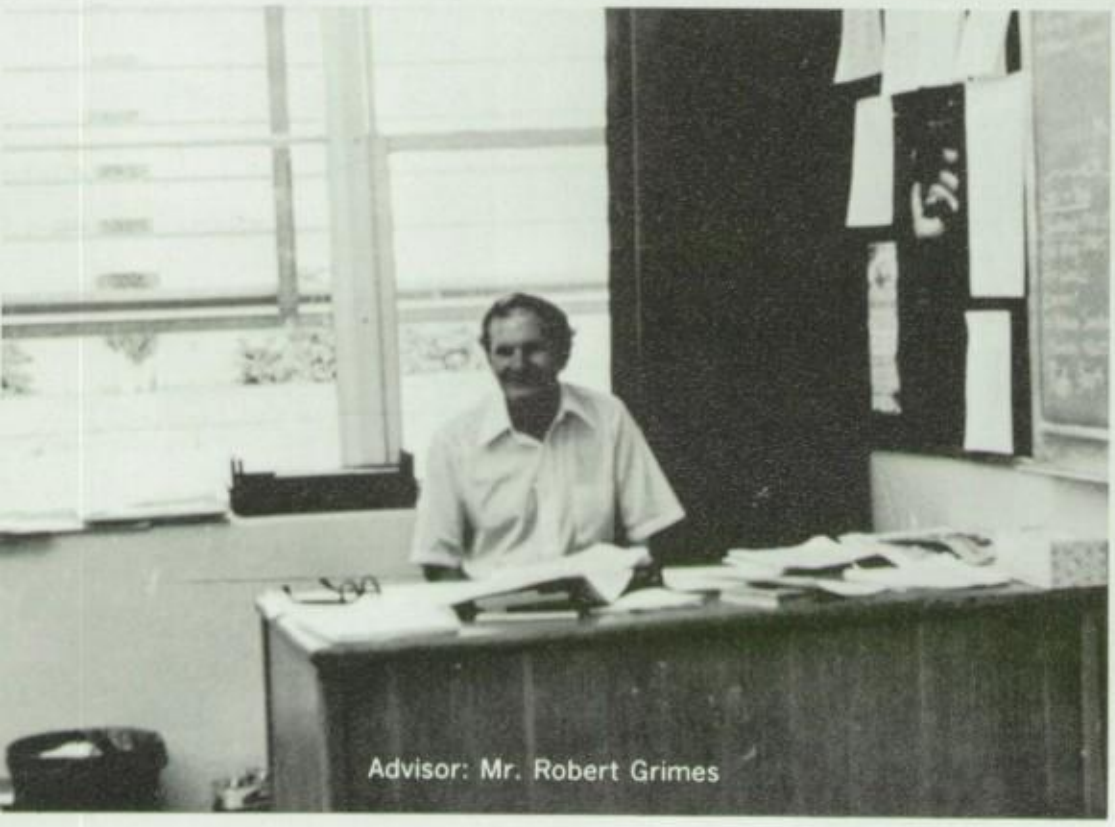
ACTIVITIES



THE '78-'79 YEARBOOK STAFF IS REALLY ON TOP



Advisor: Mr. Robert Grimes

Editors: Lynn Balling and Steve Spencer

The yearbook staff was run a little diffrently this year. There was a first year class who started by learning the techniques for the publications of a yearbook; and an advanced class that produced the yearbook and consisted mostly of the editors. The staff shared a classroom and class period with the Stampede staff and Mr. Grimes was busy being the faculty advisor for both staffs. However, this year the yearbook staff really pulled together to produce what we feel to be a great yearbook.

The 1978-79 Journalism class lost their teacher-advisor Miss Baughman and had to share an advisor with the yearbook staff. Mr. Grimes, however, did a good job in helping both staffs.

The Stampede staff tries hard to put together a newspaper that the Cap students will find interesting. They try to exert their energies to provide us with the highlights, local gossip and other bits of news.

With the shortage of funds, this year's staff ran into many difficulties; so when they put out one of their few issues they made sure it was good and touched on the lives of all the students.

Thank you, Stampede Staff, for keeping us informed.

STUDENT GOVERNMENT

The main goal this year's student government has tried to achieve is to keep in touch with student needs. This has been done with more entertainment at lunch and more dances, if possible. Along with the "fun stuff" this year's council has taken up their time with meetings and paperwork.

Although they have been limited with the passage of Proposition 13, the student council has worked around it to their best ability. Various agencies have done a fine job in order to keep the school well informed and keep the student body interested in their school.

Overall, the administration people, the janitorial people, and the clerical people have greatly helped in this year's success of student government. They have set a fine precedent for years to come.

Capuchino Student Government is based on serving the Capuchino students. Elections take place each year in May, and the officers are chosen with great esteem. The motivated officers do such jobs as raising money for the Senior and Junior Prom, working in the concession stands at our games, and just being the class leaders we elected them to be.

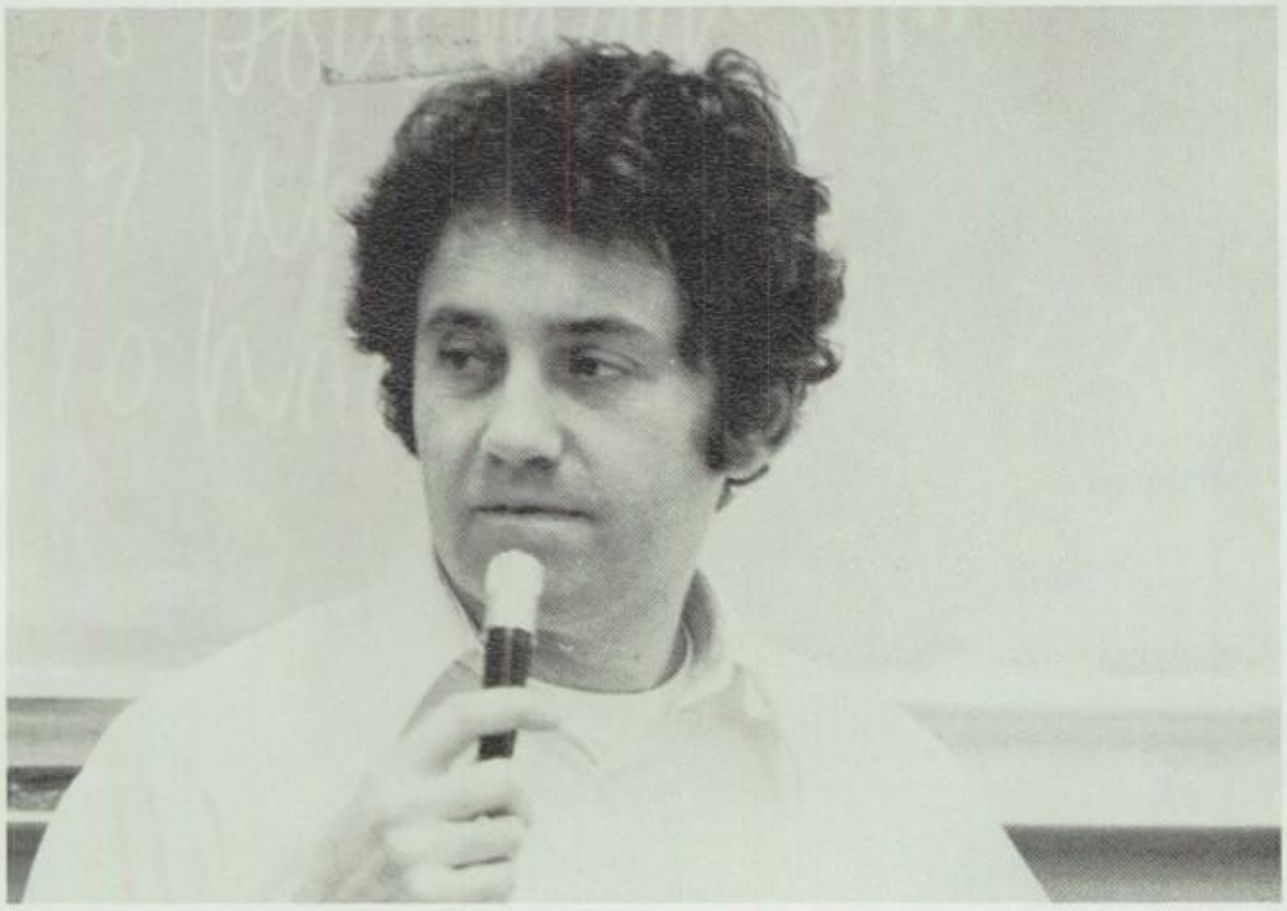
The Hearing Impaired Program provides classes and support services for a variety of deaf and hard of hearing students. Teachers Ann Holmes, Patricia Mueller-Vollmer, John Weatherman, and Instructional Aide Macon Banks offer many classes in the H.I.P. department, while integrating students into the mainstream of school life at Capuchino. H.I.P. students have participated in Varsity football, soccer, cross-country, track, and the Close-Up trip to Washington, D.C. during the 1978-79 school year. As society becomes more aware of the needs and abilities of the handicapped, Capuchino continues to be a pace-setter in providing and supporting special programs for special students.



Mr. Dowdney

English as a Second Language is a class that has been offered here at Cap for 5 years. We have several students at Cap from different countries such as Tonga, Japan, Mexico, Persia, Arabia and Spain. The teacher, Mr. Dowdney has had a great deal of experience, since he has traveled to several of these countries himself. This course offers students a chance to improve or learn to read, write, and speak English as well as learn about our country.

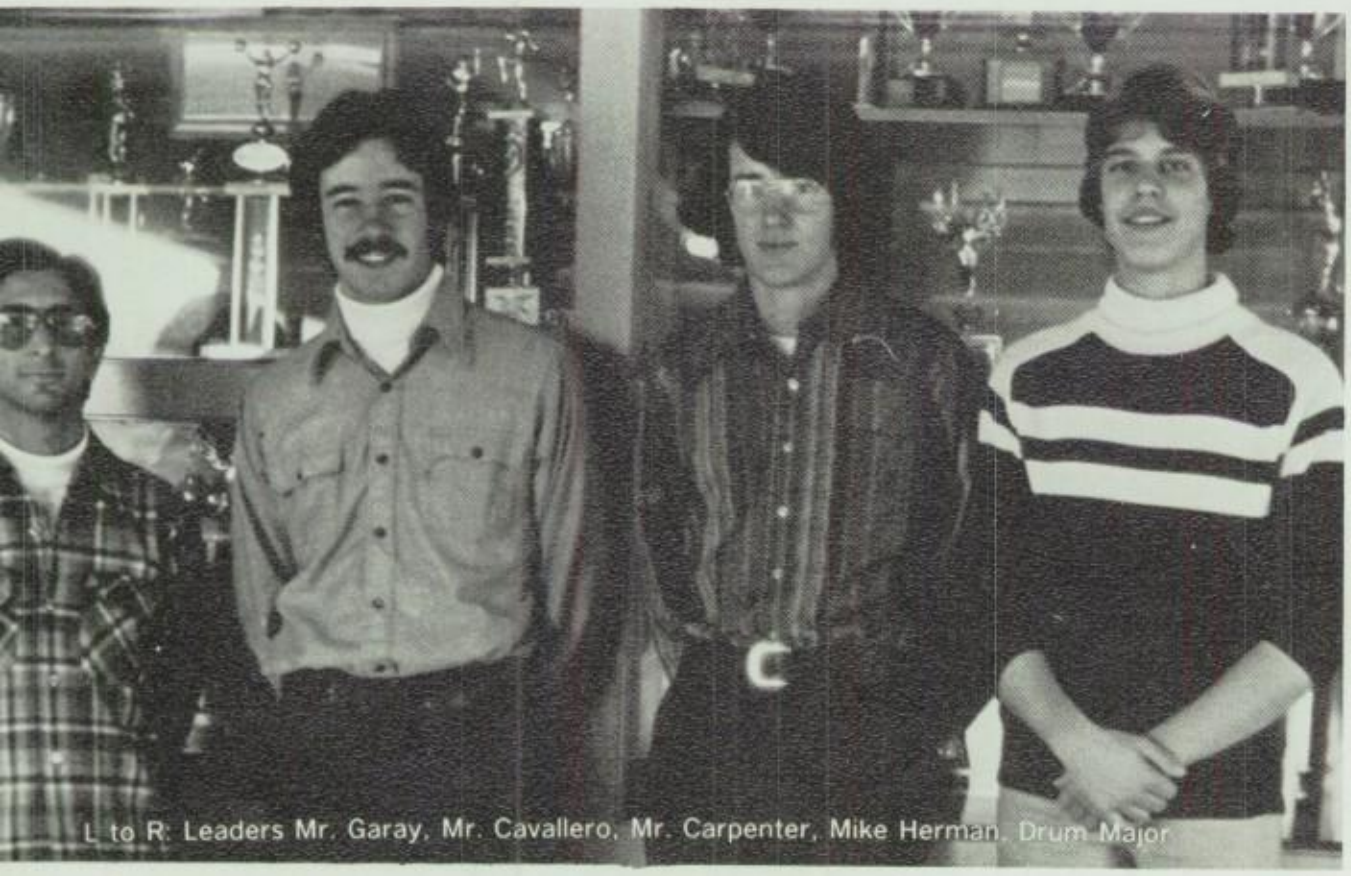
The award ceremony



L to R: Leaders Mr. Garay, Mr. Cavallero, Mr. Carpenter, Mike Herman, Drum Major

As in previous years, the Capuchino Marching Band had another successful year in competition. The band went through many changes this season. They became a field show band and won two second place trophies in these competitions. The march this year was "War of the Tartan," and it lead our band into several first place trophies plus FOUR grand sweepstakes at Santa Cruz. The flag girls won a second place trophy in their Pleasanton competition, beating many of the highly rated flag teams of other schools. The drum major did very well for his first year and should come out on top next season. And again the majorettes had an excellent year, taking first places at all the competitions.

Thanks to the band and director Mr. Garay, Capuchino has earned a very highly rated reputation. Next year, perhaps, more students should try to attend band competitions and cheer on the Capuchino Gold and Green Music Machine!

To the girls involved, Varsity Cheerleading is really a fun job. The seven cheerleaders worked very hard to promote spirit, starting not in September, but in July, by going to Spirit Camp. The girls worked on trying to bring back excitement to rallies and to Spirit Week. The planning of the Homecoming Dance was also a major activity undertaken not only by the Cheerleaders, but by the entire spirit squad. They brought back some of the old traditions of Capuchino, and we would like to give sincere thanks to the '78-'79 Varsity Cheerleaders for finally reviving our strong school spirit.

The Pom Pon girls were a major influence towards producing the spirit at Cap. The girls put much time and effort into creating numerous different routines that provided the half-time entertainment during games. The squad, headed by Carrie Abrams, remained dedicated throughout the year; these girls deserve a tremendous amount of credit.

A different aspect was added to the line-up of this year's lettergirls; juniors as well as seniors were eligible to qualify. This gave the group a broader view of the true meaning of spirit. The lettergirls were a big help in promoting the general spirit around Cap.

KEEP THE SPIRIT HIGH!

Colleen Kelleher and Julie O'Connor, our mascots, were a cheerful addition to this year's spirit squad. Besides promoting the spirit around Cap, the girls cheered at games and participated enthusiastically in rallies, which helped to make the 1978-79 spirit squad one of the best ever. Advising the squad were Mrs. Delbon and Miss Larsen, who put much of their time and efforts into helping the girls with organizing activities and planning rallies, as well as advising them on financial matters throughout the year.

JUNIOR PROM

MARCH 10 1979

"Just The Way You Are" was the theme for the class of 1980's Junior Prom. For four hours, the ballroom of the Crystal Springs Country Club was rocked by the energizing music of Savory. From parties earlier in the evening to the get-togethers in various locations later, the whole night seemed to pass too quickly for all.

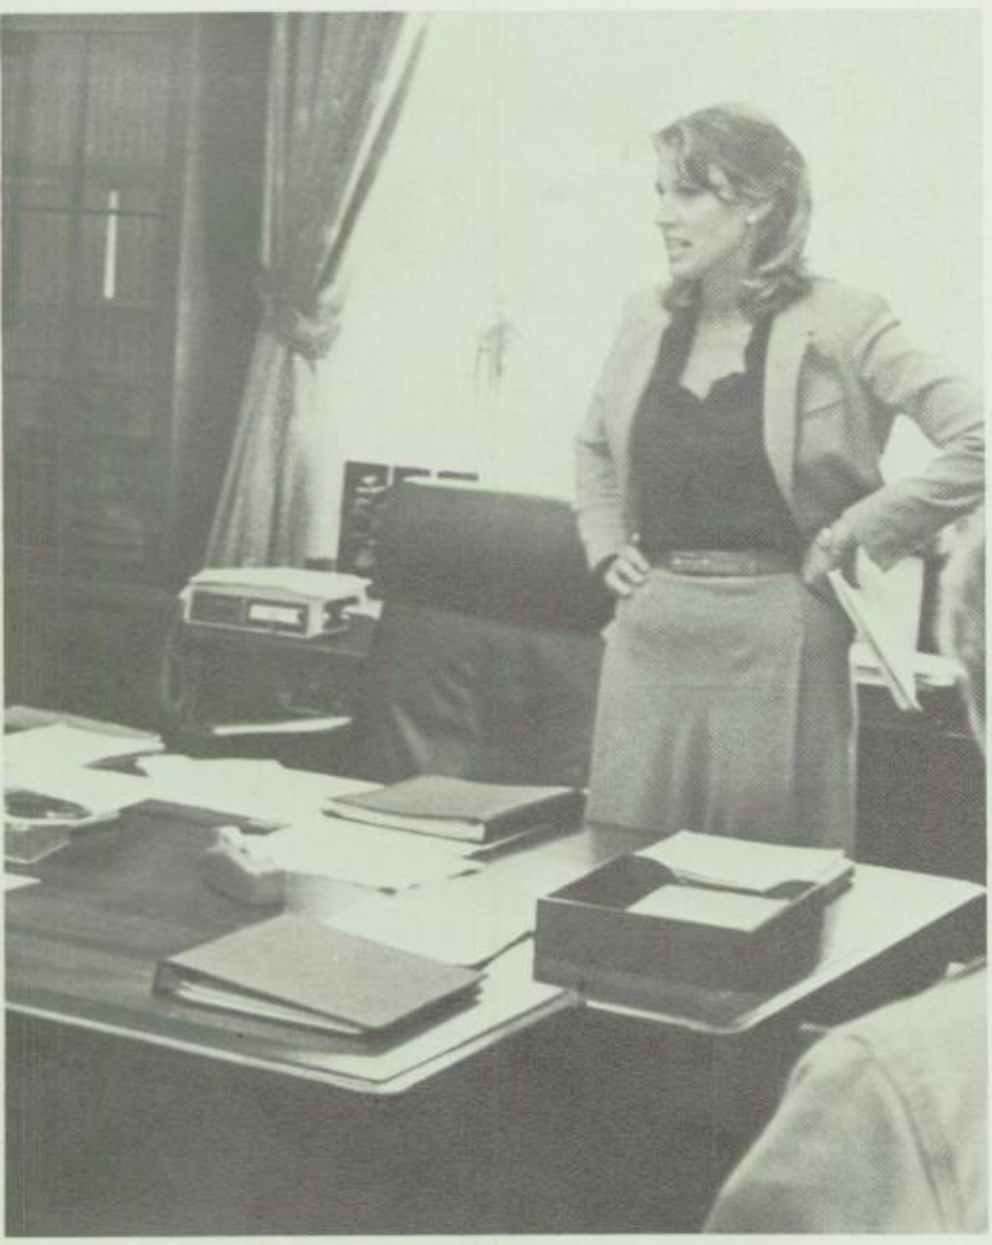
CAP STUDENTS GO TO WASHINGTON D.C.

Back Row, L to R: D. Dapkus, R. Schaubroeck, J. Steinberg, L. Balling, R. Thompson, J. Reyes, J. Cascone, Mr. Bertini. **Front Row, L to R:** S. Kellogg, C. Parmele, A. Peterson, E. Kelleher, D. Ryerson, K. Tsu.



This group of students went back to Washington D. C. on the Close-Up Program. Under the direction of Mr. Ti Bertini, the group stayed in Washington from March 4 to March 10. The Close-Up Program gives students a first-hand chance to meet with national politicians to discuss the issues of today's society. While back in D.C., the students learned much about our nation's Capitol, toured the city, made new friends, and, most importantly, brought home with them some new-found interest in the way the government is run, and some strong feelings as to what to do about problems that face us today.

AND SO IT HAPPENED . . .
